

Job Advertisement - Race Mechanic

Arise Racing is a leading motorsport service provider based in Perth, dedicated to racing, driver development, and special events. With a strong focus on excellence and professionalism, we are seeking a skilled and passionate Race Mechanic to join our team.

Position: Race Mechanic

Location: Neerabup Perth, Western Australia

Type: Full-time, Permanent

Responsibilities:

- Work on race cars in various areas including construction, repair, performance development, parts manufacture, and maintenance.
- Maintain a clean and organized workspace for yourself and your colleagues.
- Uphold a safety-focused working environment, prioritizing the well-being of the team.
- Contribute to all aspects of maintaining a professional Race Team outfit.

Requirements:

- Prior experience as a mechanic (automotive/electrical/marine, etc.) is essential.
- Experience in motorsports is preferred, but not mandatory.
- National travel for race meetings and events.
- Occasional weekend work for race events.
- Work under supervision and follow instructions effectively.
- Open-mindedness and willingness to learn and adapt in high-pressure situations.
- Excellent attention to detail and commitment to professionalism.
- The ability to work both independently and supervised, and willing to work as part of a team.

What We Offer:

- The opportunity to work with a diverse team of professionals from around the world, bringing extensive racing experience to the table.
- Permanent ongoing employment with Arise Racing.

About Arise Racing:

Arise Racing, established in 2013, is Perth's premier motorsport service provider. We specialize in racing, driver development, and special events. As a shared distributor for Radical Sportscars Australia, we maintain a fleet of 15 Radical SR3's and a F4. Our team has established a strong reputation as a top contender in the Radical Cup Australia national racing category while maintaining a significant presence in the WA FSR Championship. Additionally, we provide track services to private clients with GT and exotic race cars.

If you are a dedicated and skilled mechanic with a passion for motorsport, we want to hear from you! Join our team and be a part of the exciting world of professional racing. Apply now by submitting your resume and a cover letter highlighting your relevant experience to admin@ariseracing.com.au.

Please note that only successful candidates will be contacted for an interview. We appreciate your interest in Arise Racing.
